

World Youth Skills Day 2026

The **Department of Business Administration, Faculty of Commerce, Khwaja Moinuddin Chishti Language University, Lucknow**, observed **World Youth Skills Day 2026** on **15 July 2026** under the global theme "**Skills for a Shared Future.**" The programme was organised with the objective of creating awareness among BBA and MBA students regarding the importance of skill development, lifelong learning, and future readiness in an evolving business and professional environment.

The activity was conducted by **Dr. Ravi Kumar Tolani, Assistant Professor, Department of Business Administration**, who welcomed the gathering and introduced the significance of **World Youth Skills Day**, observed annually on **15 July** following its declaration by the **United Nations General Assembly in 2014**. He highlighted the importance of developing future-ready skills and explained the relevance of this year's theme, emphasizing the need for collaboration, adaptability, innovation, and continuous learning in shaping a shared and sustainable future.

During the programme, students were encouraged to recognise that while academic knowledge forms the foundation of their professional journey, the development of essential skills such as communication, leadership, critical thinking, digital literacy, teamwork, problem-solving, and ethical decision-making is equally important for achieving success in today's competitive business environment.

As part of the programme, students viewed an official awareness video on **World Youth Skills Day 2026**, followed by a management-oriented video highlighting the essential competencies expected from future managers and business professionals. The videos provided valuable insights into the importance of lifelong learning, employability skills, leadership, and continuous upskilling in the era of digital transformation and Artificial Intelligence.

An interactive discussion was also conducted, encouraging students to reflect on the skills they consider most important for their future careers and motivating them to take ownership of their continuous professional development.

The programme concluded with the inspiring remarks of the **Head of the Department Prof. Musheer Ahmed**, who encouraged students to embrace lifelong learning and continuously upgrade their knowledge and skills to remain relevant in the dynamic global workplace. **His address was highly insightful and was greatly appreciated by the students for its practical perspective and motivating message on the importance of continuous skill development and professional excellence.**

The event was **graced by the Dean, Faculty of Commerce - Prof. Syed Haider Ali** and was attended by the **Head of the Department**, faculty members of the Department

of Business Administration, and students of the **BBA and MBA programmes**. The programme successfully achieved its objective of creating awareness about the importance of skill development and preparing students for a shared and sustainable future.

Outcomes of the Programme

- Enhanced awareness regarding the significance of **World Youth Skills Day 2026** and its global theme, "**Skills for a Shared Future.**"
- Strengthened students' understanding of the importance of future-ready skills for personal and professional growth.
- Encouraged students to develop essential management competencies, including communication, leadership, critical thinking, digital literacy, teamwork, adaptability, and ethical decision-making.
- Motivated students to embrace lifelong learning and continuous skill enhancement to remain relevant in an evolving business and technological landscape.
- Reinforced the importance of employability skills and responsible leadership in preparing future managers to contribute effectively to organisations and society.
