

World Pharmacist Day 2026

Theme: Health Awareness, Scientific Creativity and the Role of Pharmacists

The **World Pharmacist Day 2026** was celebrated at the **Faculty of Pharmacy, Khwaja Moinuddin Chishti Language University (KMCLU), Lucknow**, on **25 September 2026**. The programme was organized with the objective of promoting health awareness, scientific thinking, creativity, innovation, communication skills, and social responsibility among students. The programme was inaugurated by the **Hon'ble Vice-Chancellor, Prof. Ajay Taneja**, through the release of the event flyer. The programme was organized under the leadership of **Prof. Shalini Tripathi, Director and Dean, Faculty of Pharmacy**.

A variety of engaging academic and awareness activities were organized as part of the celebration. Students enthusiastically participated in **Rangoli, Poster Making, Quiz, SciToons, Reels, and Street Play (Nukkad Natak)** competitions. Through these activities, students presented scientific and pharmaceutical concepts in creative and accessible ways. The Rangoli and Poster Making competitions focused on themes related to **health awareness, rational use of medicines, and public health education**. The SciToons and Reels competitions provided students with opportunities to communicate pharmaceutical and scientific concepts through cartoons and digital media.

The **Street Play** was one of the major highlights of the programme. Through effective acting and dialogue, students conveyed important messages related to **health awareness, prevention of substance abuse, responsible use of medicines, and the role of pharmacists in society**. The Quiz Competition provided an opportunity for students to demonstrate their subject knowledge, awareness, and quick decision-making abilities.

The programme also emphasized the significant role of pharmacists within the healthcare system. Students were sensitized to the fact that the responsibilities of pharmacists extend beyond dispensing medicines and include **patient counselling, medication safety, health education, and public awareness**. The activities encouraged students to understand their professional responsibilities and develop a stronger sense of social commitment.

The competitions were evaluated by faculty members and invited experts, including Dr. Hemant Kumar Singh, Ms. Rashi Srivastava, Ms. Nancy Tiwari, Mr. Kaushlesh Kumar Shah, Mr. Kartikeya Prakash, Dr. Prashant Kumar Varun, Dr. Anand Kumar, Mr. Ranveer Singh, Ms. Shivanshi Tripathi, Mr. Kunal Agam, Dr. Dharmendra Singh, and Dr. Shubham Rastogi. The judges and experts guided and encouraged students to strengthen their scientific outlook, creative expression, communication abilities, and professional skills.

The celebration of **World Pharmacist Day 2026** successfully provided students with a meaningful platform to combine academic knowledge with creativity and social awareness. The programme highlighted the important contribution of pharmacists to healthcare and reinforced the values of responsible medicine use, health education, scientific thinking, and community service.
