What We're Looking For –

1. Excellent Communication Skills
2. Strong ability to counsel and nurture candidates
3. Self motivated and drive to overachieve numbers
4. Strong follow up and closure skills
5. Product knowledge
6. Should stay updated with recent EdTech trends
7. Ethical selling, as it is Education.

What this role offers?

Attractive fixed pay with exceptional incentive potential

- Achieve more, earn more, Employee Stock Option Plan (ESOP's) after 3 years of good work

Hands-on counselling experience

- Specialize in Education Consulting. Educating someone is a good deed, than selling FMCG products like whitening cream, hair oil OR Insurance products.

Performance-driven learning

- With rapid career growth opportunities. Women usually do well in counselling, hence women are more successful

Exposure to India's top universities & executive programs

- Continuous improvement & experience excellence

Job Description

Roles & Responsibilities :- (end to end sales process)

- Counselling working professionals and fresh graduates for online higher education like MBA, MTech, MCA and certification programs.
- Daily calling atleast 80-100 working professionals (Talk-time 2-3 hours daily) to understand their upskilling goals
- Conduct counselling sessions via calls or video to match learners with ideal programs
- Maintain and nurture a strong lead pipeline through CRM & follow-ups
