"Empowering Educators for a Smarter Tomorrow"

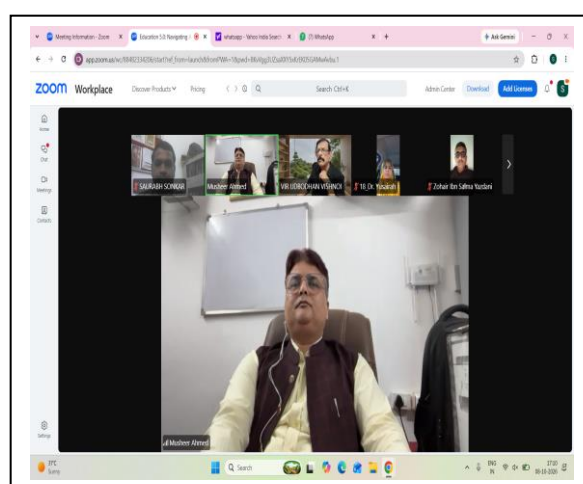

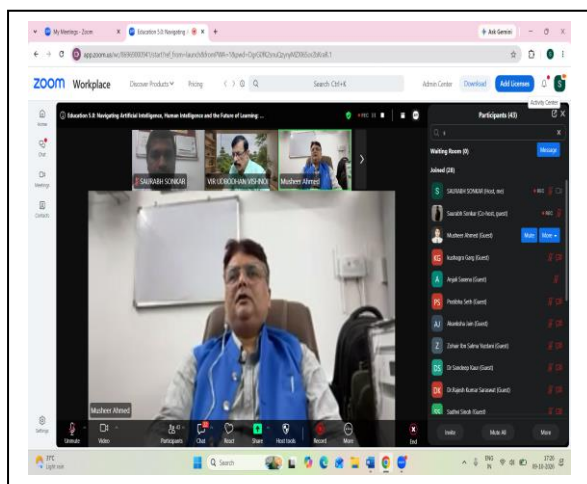

The one-week online Faculty Development Programme (FDP) on "Education 5.0: Artificial Intelligence, Human Intelligence and the Future of Learning" organised by the Department of Business Administration, Khawaja Moinuddin Chishti Language University, Lucknow, successfully concluded on 10th October 2026. The programme was held from 5th October to 10th October, daily from 3:00 PM to 5:00 PM in online mode.

Chief Patron, *Hon'ble Vice Chancellor Prof. Ajay Taneja* blessed the participants with his valuable words and said that Education 5.0 is the need of the hour where a balance between technology and human values is essential.

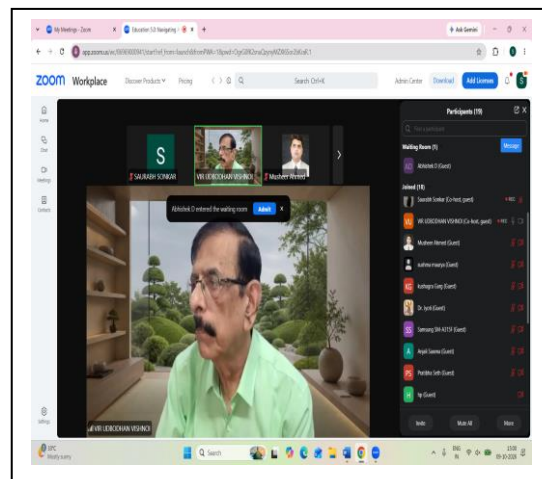

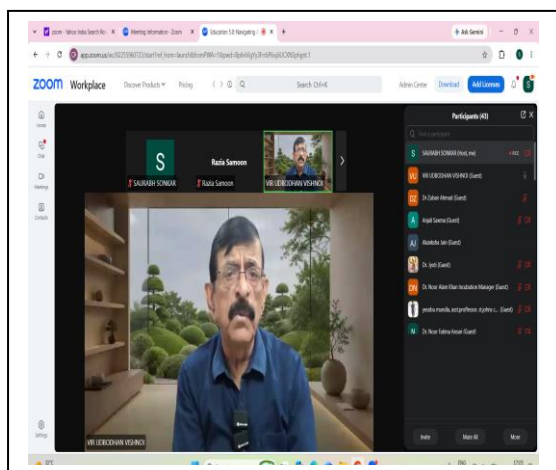

Patron and Dean, Faculty of Commerce, **Prof. Sayed Haider Ali** motivated the participants and said that in the era of AI, teachers need to update themselves.

Convener and Head of the Department, **Prof. Musheer Ahmed** welcomed the chief speaker and all the delegates.

The Coordinator of this FDP was **Dr. Sushma**, who successfully managed, coordinated and organized the entire programme. The Technical Coordinator, **Dr. Saurabh Sonkar**, efficiently managed the online platform, attendance, recording and technical support.

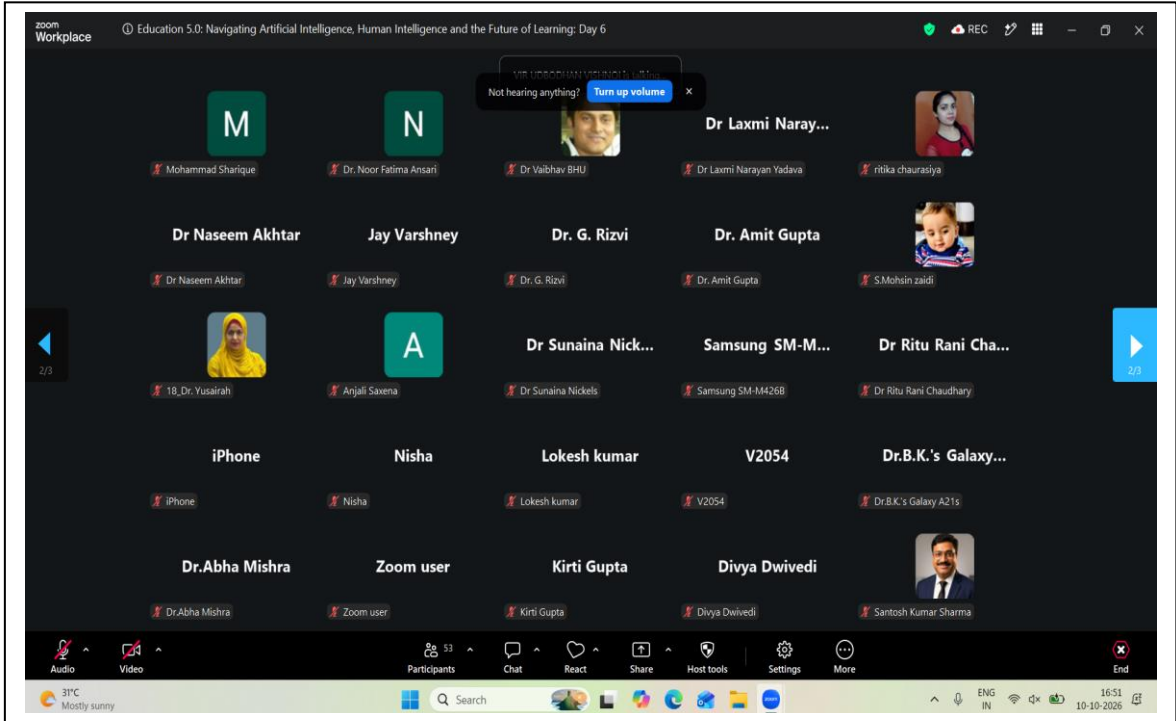

The Chief Speaker was renowned Strategic Management Consultant **Dr. Vir Uddbodhan Vishnoi**. He discussed various topics in detail over 6 days.

The main themes of the week-long programme were:

Day 1 - Disruptive Technologies of the Future, Day 2 - Entry of AI in the Classroom, Day 3 - Emotional Intelligence in the Age of AI, Day 4 - Human and Machine Collaboration, Day 5 - The Classroom of Tomorrow and Day 6 - From Education 4.0 to 5.0.

A total of 204 faculties and research scholars from various universities across the country actively participated in this FDP. Certificates were provided to all participants. In the end, Convener Prof. Musheer Ahmed expressed vote of thanks to all.

भारतीय प्रतिभा पर अमेरिकी प्रहार, अपने ही हितों से टकराता ट्रंप प्रशासन

महंगाई की आग और रेपो रेट का ब्रेक

रेपो रेट बढ़ रहा है जिस पर भारतीय रिजर्व बैंक वाणिज्यिक बैंकों को अल्पकालिक धन उपलब्ध कराता है। जब आरबीआई रेपो रेट बढ़ाता है, तो बैंकों के लिए क्रेडिट बैंक से धन लेना महंगा हो जाता है।
